

Community Endowment Funds

Legacy gifts are a primary source of these funds, which provide the major resources for Community Foundation discretionary grants. They give us the flexibility to address the changing needs of our communities over time. Funds are invested for the long-term and provide an annual payout that ensures regular, on-going support for annual grantmaking.

The Healdsburg Area Fund and Sonoma Valley Fund award grants in their local communities.

- Artists Endowment Fund
- Community Endowment Fund
- Fund for Basic Human Needs
- Fund for Education
- Fund for the Arts
- Fund for the Environment
