

HEALTHCARE FOUNDATION

NORTHERN SONOMA COUNTY

Asset Mapping Sessions

The Healthcare Foundation, along with many co-conveners, is inviting **non-profit direct service providers that provide services anywhere in northern Sonoma County** (from northern Santa Rosa to the Mendocino/Sonoma border) to participate in one of the following asset mapping sessions.

Each session will cover the same questions asking service providers to share information about services provided in the northern region, audiences, resources and gaps.

The sessions are free and the information will be condensed into a report and shared with conveners and participants. Please feel free to share this information with other service providers.

DATE	TIME	LOCATION
May 12	9-11:30am	Geyserville Inn
May 12	1:30-4pm	Healdsburg Community Center
May 15	1:30-4pm	Cloverdale Historical Center
May 16	1:30-4pm	Mary Agatha Furth Center, Windsor

For nearly 20 years, the Healthcare Foundation has been a trusted funder and the leading proponent for building a healthier community. We fund three areas of focus for our work:

**Access to Healthcare
Mental Health
and**

**Early Childhood
Development**
