- We know that in order to create a fair and just community, some may need more to achieve the same.
- We embrace both our differences and our common bond.
- We cultivate leaders, supporting them to advocate for their communities and empowering them to create change.
- We promise to tackle tough issues with compassion and courage, choosing humbly to take a step forward instead of resting in the comfort of where we are.

Here are some ways we are putting our values into action:

- Collectively supporting causes that address equity through our **LGBTQI Giving Circle**, **Impact 100 Redwood Circle**, and the newly formed **Los Cien Giving Circle**.
- Strengthening leadership through our **Latino Leadership Fund**, **Women's Leadership Retreat**, and **Assistance Beyond the Grant** program.
- Addressing disparities through our grantmaking in **Health and Human Services**, **Arts and Culture**, **Education**, **Animal Welfare**, and the **Environment**.
- Helping donors to envision and reach their goals through **values-based philanthropy**.
