IMPORTANT! Please contact the Community Foundation before each stock gift transfer or gift of stock in certificate form. Stock should not be sold before the transfer of ownership occurs. In order to receive tax advantages, stock must be sold by the Community Foundation.

Please email stocks@sonomacf.org with the number and type of stock you will be donating to ensure that we know the stock gift is from you—it is often difficult to identify the donor in a broker-to-broker transaction. To expedite the process, please include your broker's name and phone number, along with the name of the fund you would like to support with your gift.

Thank you for your generosity and commitment to Sonoma County!
